SIR

Adverting to Government Order No L 7112-13/M1 32-40-127 dated 5-4-1941 sanctioning the purchase of a Steam Road Roller for the use of this Municipality at a cost of Rs 14,775/- from Messrs Marshall & Co , (India), ~~Ltd~~ Madras, Ltd , I have the honour to state that the Steam Road Roller could not be purchased so far, on account of correspondence with the Firm regarding the price etc , and the present international situation due to war conditions Work was somehow being got done so far by the ~~old~~ two old Rollers in the Municipality and now, these two rollers have completely become useless as they are under heavy repairs and the work of the Engineering section in this behalf, has come to a stand still In the meantime Messrs Marshall & Sons, wrote on 10-8-1943 to say that they had received a steam road roller from England, that the Supply Department of the Firm had agreed to its delivery to the Municipality and that they were prepared to deliver it to the Municipality at a cost of Rs 18,700/- net F O R Madras Since the Municipality is very badly in need of a Roller, and since the chance of getting a roller at this cost is also remote the matter was placed before the Municipal Council, who at their Meeting held on 14-8-1943, have resolved that the Roller may be purchased immediately A copy of the Council - Resolution is herein enclosed for favour of information of Government Necessary provision will be made in the current year's Budget for the purpose and, as the matter is very

very urgent, the Municipal Engineer has also been directed to place orders with the Firm for the Roller in anticipation of kind sanction of Goverrment In these circumstances, I request that sanction of Governmert may be kindly obtained to the resolution of the Council and my action in placing orders in anticipation ofs sarction of Government may be approved

I have the honour to be
Sir,
Your most obedient servant
